NEW YORK OR BUST

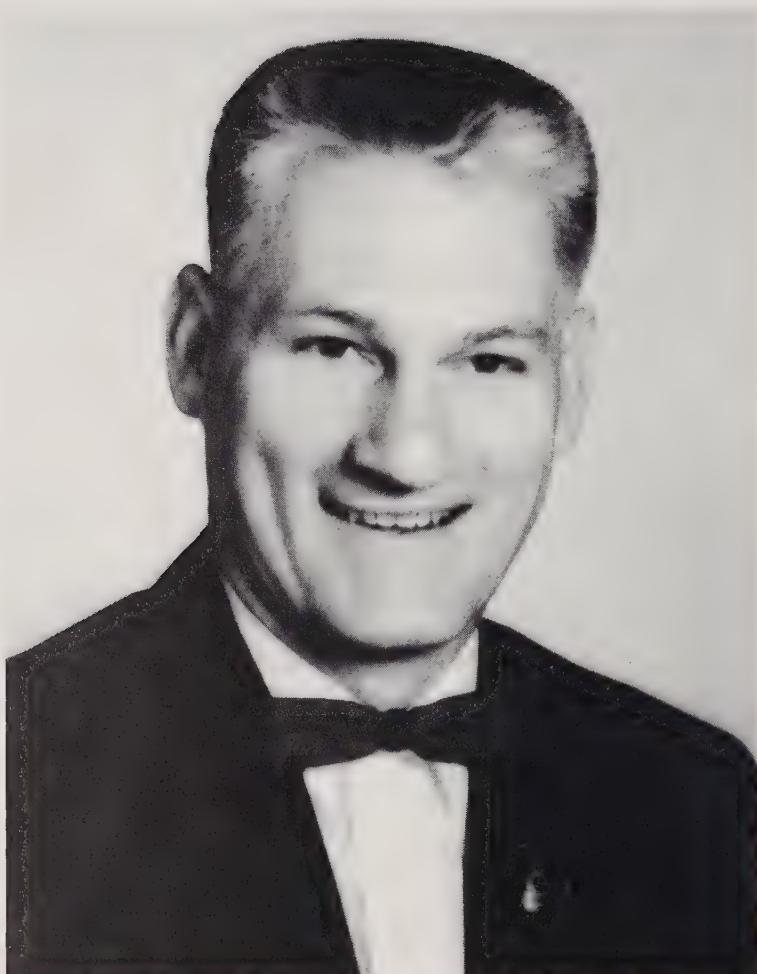

Sandra, you are one of  
the nicest and sweetest  
girls I know. Be sure you  
stay that way. If you do  
anything that would make a  
friend. Namely me. Don't let nothing  
anybody or anything change you.  
You're just fine like I kiss you and do  
Don't ever forget me. I will  
never forget you.

Sandra,

You are the sweetest & nicest girl I have known. I have had a lot of fun this year. I also think we have had lots of fun. Remember the good old times we have had on our 3 especially yesterday June 1st. But I must admit we have had bad times too. I remember the good old times we have had in Math Class together especially that we had in to make a 100. I also remember that we had in Accounting and Business Administration. But we will be in Accounting and Business Administration, Motor Traffic Management. I never forgot some Write For Our New Catalog times we had on the bus when Paul would sit with me & some of the bad times when Paul would sit with him. Well it's all over. I try to forget them cause they are of course seniors. Just think this day of tomorrow will be the last time we will be together & especially I won't get to see Paul now. You should be glad you don't like a senior because you don't know now lead the especially when school is out. Oh well that can wait. I just hope we will have a good time next year as we did this year. I also more good times than we did this year. Remember the good old times we had at the Fashion Shows. I think you are a wonderful friend. I have enjoyed having you for my friend this year at the beginning of school I didn't know who to pick for my friend but now I am glad I picked you. I also hope you will be my friend next year too. Don't forget some of the courses & lessons we have had with Dail Gable this year. I have had some good times doing it to. I hope you have done the good times we have had in Health this year especially today June 1. I just hope you had a wonderful summer - good times we have had in June & especially when we were cooking & when we put something else in that was wrong, it's not good. I hope this summer we have also had in English. I think Mrs. Gross won't be here next year & I hope we won't get a hard teacher next year in English. Remember the good old times we have had in English. I hope you have a wonderful personality. I think we have got along pretty good this year. I hope that we will get along better next year. You have been good to us this year, we will do the same for you. I hope to see you next year. I am going to always be here, see you tomorrow. Sandra, I care.
